TRANSITION

TRANSITION ROD HOLDALLS

K0290060 3 Rod Holdall 168cm **69,99 €**

H168 W29 D15cm

K0290061 3 Rod Holdall 198cm **79,99 €**

H198 W29 D15cm

These rod holdalls provide loads of protection for made-up rods and reels. There's a highly padded area for three setups on the inside, plus a large outer pocket for your landing net and handle. The padded shoulder strap is adjustable, and the carry handle makes life easy on the bank. Increased protection offered for rod guides due to the bumped section at the top of the holdall - a great, simple way to transport your gear.

- Unique combination of materials that make our luggage lighter, tougher and more waterproof than ever
- Available in models for both 10' and 12' two-piece rods
- Padded shoulder strap and carrying handle

TRANSITION

TRANSITION OPPORTUNIST FOLDALL

K0290059 2 Rod Foldall **119,99 €**

H130 W28 D20cm

For the short rod angler, this is the ultimate item of luggage. It's both a rod holdall and carryall, giving you three compartments for your tackle, along with total protection for two rods, landing net handle and even an outer pocket for your banksticks, brollies and nets. Of the three tackle compartments, one is a cool bag compartment for bait. The bag can be perfectly balanced due to its adjustable padded shoulder strap.

- Unique combination of materials that make our luggage lighter, tougher and more waterproof than ever
- Totally unique folding design that offers a compact area for rods, reels and your tackle
- Adjustable padded shoulder strap and carrying handles
- Perfect for 8' two-piece rods, or 10' extending rods like our Opportunist and XTND range

OPPORTUNIST X SERIES RODS

For anglers who embrace the Opportunist style of fishing, we've developed a hardcore range of rods that aren't additional rods in your armoury, they're your first choice for big fish hunting. Designed to work just as well on running water as stillwaters, the Opportunist X rods combine high-modulus carbon blanks with Minima guides, slim cork handles and anti-frap tip guides. As part of the series, we also have our XTND models, 10' rods that pack down to the same size as an 8' two-piece rod. All can be used in our Opportunist luggage series easily and effectively. Having one chosen transport size makes it easier than ever to become a true Opportunist angler.

10' OPPORTUNIST XTND 2.25LB

K0330031 **89,99 €**

Telescopic butt section extends the rod to 10', making it ideal for many species.

10' OPPORTUNIST XTND 2.75LB

K0330032 **89,99 €**

Telescopic butt section extends the rod to 10', with more power for big fish or heavier weights.

OPPORTUNIST XTND

Opportunist X

Opportunist XTND

OPPORTUNIST X

8' OPPORTUNIST X QUIVER

K0330027 **79,99 €**

Two piece rod supplied with a fibreglass 2oz tip and carbon 4oz tip.

8' OPPORTUNIST X 2LB

K0330028 **79,99 €**

Two piece rod perfect for a multitude of species.

8' OPPORTUNIST X 2.5LB

K0330029 **79,99 €**

Two piece rod with more power for bigger fish and heavier weights.

K0330027 8' Quiver	2450mm	1225mm	155g	15-90g	4-10lb	10+1	2	2oz, 4oz
K0330028 8' 2lb	2450mm	1225mm	165g	30-120g	8-15lb	6+1	2	n/a
K0330029 8' 2.5lb	2450mm	1225mm	174g	60-180g	8-18lb	6+1	2	n/a
K0330031 10' 2.5lb	3040mm	1225mm	206g	45-150g	8-18lb	6+1	2	n/a
K0330032 10' 2.75	3040mm	1225mm	226g	60-200g	8-20lb	6+1	2	n/a

Customised to suit the needs of the modern big-fish river angler. Complete with white tips for bite detection, tough SIC lined rod guides and slim cork handles. These functional tools are perfect for chasing big barbel. All rods feature an anti-frap tip guide and pack down into two equal pieces.

Barbel

12' BARBEL 2.5LB

K0330023 79,99 €

An extreme rod for extreme conditions, great when using big feeders in fast flowing rivers, weirs and deep water. Purpose built for big fish.

12' BARBEL QUIVER

K0330024 79,99 €

This powerful quiver rod is perfect when fishing in low-water conditions. Has enough power to lob large feeders and tame even the hardest fighting river fish. Comes with two tips, 4oz and 6oz carbon.

K0330023 12' 2.5lb	3650mm	1860mm	330g	60-200g	10-20lb	8+1	2	n/a
K0330024 12' Barbel Quiver	3650mm	1860mm	250g	20-120g	6-12lb	11+1	2	4oz carbon, 6oz carbon

zelos

ZELOS REELS

K0340017 4000 / K0340018 5000 **59,99 €**
 K0340019 4000 Spare Spool / K0340020 5000 Spare Spool **17,99 €**

The Zelos is the ultimate wide arbour reel for a multitude of modern coarse fishing techniques. The Zelos is also our first reel to feature our K-Fold aluminium handle, which enables you to fold the handle away during transit easily and effectively. It's smooth drag system and precise carbon steel bearings deliver power where it counts, whilst the S-Stroke system provides superior line management. A great reel when using heavier line or fishing at distance on lakes and rivers.

- 5 carbon steel ball bearings + 1 needle bearing
- One way clutch with instant anti-reverse bearing
- High strength graphite body and rotor
- Anti-twist titanium line roller
- Oversized aluminium bail with computer analysed balanced rotor
- Machined and anodised aluminium spool
- Line-friendly aluminium line clip
- New folding CNC handle with soft touch rubber grip
- S-Stroke system for perfect line lay
- Gear ratio 4.6:1

4000: Line Capacity : Lb/yds 6lb/180yds, 8lb/150yds, 10lb/120yds
 Line Capacity : mm/m 0.20mm/200m, 0.26mm/170m, 0.30mm/150m
 Gear ratio : 4.6:1

5000: Line Capacity : Lb/yds 8lb/180yds, 10lb/140yds, 12lb/100yds
 Line Capacity : mm/m 0.26mm/170m, 0.28mm/150m 0.33mm/120m
 Gear ratio : 4.6:1

AERODIUM SUPA LITE RECLINER

K0300021 **119,99 €**
H80-99 W47 D58cm WEIGHT 3.9kg

This super lightweight chair has been designed specifically for fishing on sloping bankside terrain. The leg lengths have been adjusted to provide maximum available extension at the front of the chair, making this model perfect for steeper banks. A new mattress layout provides increased comfort, but still features our unique lightweight waterproof material for easy cleaning. The chair is made using Aerodium, a special Magnesium Alloy material that's extraordinarily lightweight and strong.

Speed Fit Adaptor

SPEEDFIT

SPEED FIT ADAPTOR & INSERTS

K0360036 Adaptor **9,99 €**
 K0360037 Inserts **3,99 €**

The perfect solution to changing between rod rests and bite alarms quickly. Using either the Speed Fit Adaptor, or Speed Fit Tilting Buzz Bars, simply half turn to release the insert. Perfect when you want to pack everything away to the most compact transport size.

Not suitable for use with landing nets.

Speed Inserts
 2 per pack

SPEEDFIT

SPEEDFIT TRIPOD ADAPTOR

K0360045 **19,99 €**

Perfect for anglers who might confront difficult swims where their banksticks won't go in the ground. Simply add three banksticks and either your rod rest head or buzz bar, and you're fishing. This is made really easy thanks to the Speedfit system on the points of attachment, meaning you are just a few clicks away from a sturdy and strong tripod. Speedfit works with just half a turn, it's fast and easy to use. The rear bankstick attachment, meanwhile, gives anglers the option to adjust the angle of their tripod to suit different terrain. A great, multi-use product.

2-Rod KBI-Compact Alarm Set

3-Rod KBI-Compact Alarm Set

KBI

KBI-COMPACT ALARM SETS

K0360043 2-Rod **49,99 €** / K0360044 3-Rod **59,99 €**
 K0360041 KBI-Compact Alarm only **11,99 €**

The KBI Compact is a super tough alarm in a small, hard-wearing body. Featuring a sensitive inner roller wheel and a bright LED, it's a fantastic choice for all forms of specimen angling. The speaker features adjustable volume, while the LED boasts a 10 second alert feature.

Available in 2 Rod or 3 Rod sets including wireless receiver.

- Powered by a 23A battery (not included)
- Adjustable volume
- 5mm LED
- Compact design
- 20 second latching LED
- Adjustable locking nut and compression washer
- Water guarded speaker
- High output speaker
- Sensitive bite indication
- Rolling code system - no interference
- 100m receiver range
- Very low battery drain
- 39mm x 85mm x 25mm alarm size
- 120mm x 45mm x 20mm receiver size

KBI-Compact Alarm only

NEO-MAG BITE INDICATORS

K0360039 Standard 5g **12,99 €**
 K0360040 XL 11g (not including 5g weight) **14,99 €**
 Standard **H40 W12mm** / XL **H50 W18mm**

Bite indication for the allround angler. Can be used efficiently with a broad spectrum of reel line diameters thanks to the spring-loaded ball-bearing that pushes against an inner Neodymium magnet. This creates the perfect line-flow. The design achieves high levels of grip in extreme conditions, but also allows your line to release easily when you strike.

Available in two sizes. Each model comes with:

- 3 x Neo-Mag indicator heads in red, clear and blue
- 1 x Neo-Mag Line Clip system
- Hard wearing 4"/10cm link chain and hockey stick
- XL version comes with additional 5g weight

Scales and landing net handle not included

MULTI WEIGH BAR

K0360038 16,99 €

This versatile product is a great compact weigh bar with multiple uses. Can be used as a standard weighing bar, but also features a thread to attach the bar to a landing net handle when pivoting the weigh sling from the ground for a more accurate reading. Complete with strong carabiner and soft touch foam.

FULL METAL LATEX SPOON NETS

K0380023 26"/65cm **34,99 €** / K0380024 30"/75cm **36,99 €**

Our toughest spoon nets ever! Using a CNC machined metal spreader block and chunky 15mm frame for maximum strength when fishing for big fish. Includes our special lightweight SOFTEX latex mesh, made with more depth, making it ideal for short term retention of those special fish whilst you arrange your fish care and camera equipment. A retaining tag at the base of the mesh also means you can transport the net easily between swims.

- Anodised 15mm frame
- Fish-friendly SOFTEX latex mesh
- Retaining tag system
- Available in 26" and 30"

OPPORTUNIST X SERIES NET HANDLES

1.8M XTND

K0380025 1.8m **44,99 €**

WEIGHT 221g

At just 45cm in length when packed away, it's our smallest and strongest compact net handle to date. Screw thread is pinned for added strength, with increased carbon wall diameters for extreme durability. Can be used easily with nets up to 42".

2.8M XTND

K0380026 2.8m **49,99 €**

WEIGHT 314g

At just 65cm in length when packed away, this longer version is ideal for river fishing or urban fishing from high banks. Screw thread is pinned for added strength, with increased carbon wall diameters for extreme durability. Can be used easily with nets up to 36".

OPPORTUNIST XTND

Features:

- Thick-wall construction carbon fibre for durability and strength
- 20mm tip diameters to enable use with larger net sizes
- Stealthy Opportunist finish, with shrink wrap grips
- Hard-tapered Duplon to keep compact during transport

MULTI TOOL

K0310115 **14,99 €**
H20 W6cm

The Korum Multi-Tool comes in a useful holster with an extending keeper cord that allows you quick and easy access to this fantastic, multi-use tool. Can be used like forceps for unhooking, as a pair of pliers and also as a cutting tool. Made using black oxide stainless steel. Comes complete with expanding keeper and carabiner.

BARBEL REEL LINE - 500M

- K0390007 10lb 4.5kg 0.30mm **14,99 €**
- K0390008 12lb 5.4kg 0.33mm **14,99 €**
- K0390009 15lb 6.8kg 0.35mm **14,99 €**

Barbel are recognised as the hardest fighting coarse species and fishing for them requires zero compromise on the strength and durability of your tackle. Barbel Reel Line has been developed to provide extreme abrasion resistance, superior knot strength and a linear breaking strain that absorbs powerful lunges. The Camo finish blends with the environment perfectly.

BAIT GRIPPER LEADS

K0310099 60g **2,50 €** / K0310100 90g **2,99 €**
 K0310101 120g **3,50 €** / K0310102 150g **3,99 €**
 K0310103 180g **4,50 €**

This highly versatile gripper lead allows you to apply groundbait, paste or pellets just like you would with a feeder. The innovative mesh insert grips the bait, whilst the hydrodynamic weight grips the lake or riverbed. The insert can be swapped out for a Korum inline insert if desired when using shorter hooklinks and a 'method' style presentation.

INLINE INSERTS

K0310104 **2,99 €**

These highly versatile inserts can be used with a multitude of Korum weights, controller floats and feeders, or simply to convert existing inline systems to a safer, tailrubber free setup. Made from a flexible, durable material, they won't split and have a front recess that accepts numerous sizes of swivel.

- Comes supplied with matt black power swivels

RIVER CAGE FEEDERS

- K0320032 45g **2,99 €** / K0320033 60g **2,99 €**
- K0320034 90g **3,75 €** / K0320035 120g **4,25 €**
- K0320036 150g **4,99 €** / K0320037 XL 60g **3,25 €**
- K0320038 XL 90g **3,75 €** / K0320039 XL 120g **4,25 €**
- K0320040 XL 150g **4,99 €**

Made from a super strong, durable metal mesh frame. Hydrodynamic design for use in flowing water, it's low profile grips the riverbed better than standard feeders. The closed rear design enables the use of larger particle baits in deeper water, offering a slower release. Camo finish for ultimate camouflage.

SURFACE BOMBS

K0310105 Camo Standard **4,99 €** / K0310106 Camo XL **5,50 €** / K0310107 Fluoro Standard **4,99 €** / K0310108 Fluoro XL **5,50 €**

Surface fish with stealth and accuracy with the Surface Bomb! You can adjust the weight of this precision engineered controller float with ease by adding water to give you the casting distance you require. The rubber grommet on the top of the Surface Bomb allows you to add water, whilst also providing a highly visual sight bob when fishing. This versatile controller float is aerodynamic thanks to the weight-forward pear drop design, which also provides a bolt effect, due to the resistance on taking fish at the front of the float. Comes complete with our specially designed quickchange stem, which can be used a multitude of beads and swivels to provide a safe, semi-fixed setup.

SUPERSTEEL*

ALLROUNDER HOOKS

Barbless
 K0310060 Size 8 / K0310061 Size 10
 K0310062 Size 12 / K0310063 Size 14 **2,50 €**
 Barbed
 K0310064 Size 4 / K0310065 Size 6
 K0310066 Size 8 / K0310067 Size 10 **2,50 €**
 10 per pack

Our most versatile hook yet. Featuring a subtle beaked point and slight out-turned eye, it works effectively whether tied directly, or when hair rigging with heavier breaking strains of monofilament and fluorocarbon.
 High grade Japanese carbon steel

- Chemically sharpened points
- PTFE coating

Barbless size:
8, 10, 12, 14

Barbed sizes:
4, 6, 8, 10

SUPERSTEEL*

PENETRATOR HOOKS

Barbless
 K0310083 Size 8 / K0310084 Size 10
 K0310085 Size 12 **2,50 €**
 Barbed
 K0310086 Size 8 / K0310087 Size 10
 K0310088 Size 12 **2,50 €**
 10 per pack

Purpose-built to go in and stay in, the beaked point featured on the Supersteel Penetrator hooks provide a new level of hookhold security. Featuring a chemically-sharpened beaked point that won't burr on the lake or riverbed. The Penetrator is most effective when hair rigging with supple hooklengths due to its subtle in-turned eye.
 High grade Japanese carbon steel

- Chemically sharpened points
- PTFE coating

Barbless size:
8, 10, 12

Barbed sizes:
8, 10, 12

GRAPPLER HOOKS

Barbless
 K0310089 Size 6 / K0310090 Size 8 / K0310091 Size 10
 K0310092 Size 12 / K0310093 Size 14 **2,50 €**
 Barbed
 K0310094 Size 6 / K0310095 Size 8 / K0310096 Size 10
 K0310097 Size 12 / K0310098 Size 14 **2,50 €**
 10 per pack

This aggressive, curved-shank pattern has been designed to provide the ultimate hook-hold. The point is swept back towards the eye for improved penetration, whilst the eye is very slightly out-turned to allow use with strong monofilaments, as well as more subtle braid presentations. The beaked point withstands hitting hard ground brilliantly, whilst the large eye enables use with thicker materials.
 High grade forged carbon steel

- Chemically sharpened points
- PTFE coating

Barbless size:
6, 8, 10, 12, 14

Barbed sizes:
6, 8, 10, 12, 14

K0350037 M / K0350038 L / K0350039 XL
K0350040 XXL / K0350041 XXXL **29,99 €**

Utilises our new Dri-Active material that's designed to wick moisture away from your skin, keeping you cooler in summer and warmer in winter. Can be used as an outer layer in the warmer months, or as a baselayer when it's cold. The soft, highly flexible material makes Dri-Active perfect for roving, walking and more active styles of fishing.

- Dri-active performance material
- Fast moisture wicking control
- Lightweight, soft
- Quick dry function

100% interlock polyester

3000 BREATHABLE

NECK SHIELD

K0350026 **6,99 €**

This multipurpose garment can be worn as a head or neck gaiter, keeping you protected from the elements. The special sweat-proof material provides a barrier from wind and high or low air temperatures to make your days fishing more comfortable.

- Breathable sweat-proof material
- Soft touch feel
- Seam free for comfort
- Machine washable/non-iron
- Multi-purpose use

100% breathable polyester

iDEFINITION FLOATING SUNGLASSES

K0350025 **23,99 €**

iDefinition provides a specially selected lens design that offers greater perception of the colour green, the colour our eyes are most sensitive to in the visible light spectrum. Green lenses provide better contrast than grey lenses and offer better colour accuracy than brown lenses. Because green lenses favour the transmittance of green light, they provide excellent visual acuity in all light conditions. In short, this makes iDefinition perfect for modern course fishing. As we all know accidents happen from time to time so we have now made our glasses float, giving you time to scoop them out of the water if you drop them in. The new wide frame shape lets in less light, whilst also looking modern and stylish.

FLOATEX REGGIEZ (PACKS)

Z0660032 7.5cm - Toxic Frog / Z0660033 7.5cm - Motor Oil
 Z0660034 7.5cm - Real Ale / Z0660035 7.5cm - Silver Fish
 Z0660036 7.5cm - Dark Lord / Z0660037 7.5cm - Spotted Goby **3,50 €**
 3 per pack

Reggiez are a durable floating crayfish imitation that enables you to fish with the popular finesse 'Ned Rigging' technique really effectively. The FLOATEX material is much softer than normal lures, yet resists any cuts and tears due to its stretchy compound. This bait is incredible – retrieve it slowly and let the claws of the Reggiez wobble, wiggle and shake.

Long pauses can bring great rewards, as the Reggiez stand straight up off the bottom due to their buoyancy, just like a crayfish standing in the defensive position. On the pause, the claws wave naturally, creating a subtle presentation for pressured fish. The body also features a natural hook slot, for weedless rigging.

*WARNING - Do not mix FLOATEX with other standard lures. The two materials will react with each other.

7.5cm 4 per pack

Squirmz are a durable floating lure that enables you to fish with the popular finesse 'Ned Rigging' technique really effectively. The FLOATEX material is much softer than normal lures, yet resists any cuts and tears due to its stretchy compound. This bait is incredible – retrieve it slowly and let the Squirmz wriggle, twist and shake.

Long pauses can bring great rewards, as the Squirmz stand straight up off the bottom due to their buoyancy. On the pause, the Squirmz tail lifts up, creating a super natural attraction that imitates a wide variety of prey – from small baitfish, to crayfish standing in the defensive position. The chevron body design creates a darting action big predators cannot resist.

*WARNING - Do not mix FLOATEX with other standard lures. The two materials will react with each other.

SQUIRMZ

SNAPPER BUOYANT SQUIRMZ

Z0660015 Squirmz 5cm - Natural / Z0660016 5cm - Mutant
 Z0660017 7.5cm - Mutant **6,99 €**

3 per pack

Squirmz are a durable floating lure that enables you to fish with the popular finesse 'Ned Rigging' technique really effectively. The material is much softer than normal lures, yet resists any cuts and tears due to its stretchy compound. This bait is incredible – retrieve it slowly and let the Squirmz wriggle, twist and shake.

Long pauses can bring great rewards, as the Squirmz stand straight up off the bottom due to their buoyancy and the special design of the matching Squirmz jighead. On the pause, the Squirmz tail lifts up, creating a super natural attraction that imitates a wide variety of prey – from small baitfish, to crayfish standing in the defensive position.

Squirmz are available in two varieties – a Natural pack and Fluoro pack. Each includes 3 Squirmz in a superb offering of colour variations that have proven themselves time and time again during testing.

The jigheads in the ready-to-fish packs of Squirmz are size 1 with 5g heads. They cast like a bullet and create a nose-diving motion that perfectly suits buoyant lures, helping them stand up off the bottom.

Squirmz Natural

Squirmz Mutant

Squirmz Fluoro

REGGIEZ

SNAPPER REGGIEZ

Z0660018 7.5cm - Natural / Z0660019 7.5cm - Mutant **6,99 €**

3 per pack

Reggiez are a durable floating crayfish imitation that enables you to fish with the popular finesse 'Ned Rigging' technique really effectively. The FLOATEX material is much softer than normal lures, yet resists any cuts and tears due to its stretchy compound. This bait is incredible – retrieve it slowly and let the claws of the Reggiez wobble, wiggle and shake.

Long pauses can bring great rewards, as the Reggiez stand straight up off the bottom due to their buoyancy, just like a crayfish standing in the defensive position. On the pause, the claws wave naturally, creating a subtle presentation for pressured fish. The body also features a natural hook slot, for weedless rigging.

Loaded Reggiez come with a super sharp 1/0 offset hook, pre-rigged on a 5g Chebaruska weight. This provides maximum movement in a weedless, streamlined package.

*WARNING - Do not mix FLOATEX with other standard lures. The two materials will react with each other.

SNAPPER CHEB HEADS

- Z0740011 Size 1/0 - 10g **3,50 €**

3 & 5g 5 per pack

7 & 10g 3 per pack

The 'Chebaruska' style of rigging enables you to have a totally weedless presentation that creates more movement in your lure. The quick-change clip that fixes inside the Cheb weight gives your hook free-movement, perfect when using buoyant lures like the Snapper Floatex range. The high-carbon steel hook used is strong, sharp and shaped to be hidden inside your bait. Great for snaggy or weedy environments, or when fish are getting 'hook-shy'. Available in the popular finesse fishing sizes and weights.

Compatible with the Snapper Floatex lure range.

We recommend:

- Size 4 - Squirmz 5cm
- Size 1 - Squirmz 7.5cm
- Size 1/0 - Reggiez 7.5cm

Reggiez Natural

Reggiez Mutant

SNAPPER PREDATOR COT

Z0710003 **69,99 €**

H30 W130 D70cm

Provides predator anglers with a modern fishcare solution that's compact, lightweight and offers maximum protection for big fish. The unique design provides a padded frame made using foam with a graphite inner. This is far safer for fish than a solid metal frame and is also much lighter. The inner padded foam section also features measuring tape, should you want to document the length of your capture.

High-walled sides, padded for fish protection

- Unique folding design
- Removable padded inner base
- Supplied in a carry bag

SS SO SOLID

SNAPPER SO SOLID RODS

Z0680008 6' **59,99 €** / Z0680009 6' 6" **64,99 €** / Z0680010 7' **69,99 €**

The So Solid range uses solid carbon tips to ensure an ultra-fast action with unrivalled sensitivity. Even the most gentle bites will register, especially when using very light lures. Not only do solid tips provide great feedback, they are also a better design when using ultra-light fishing techniques like Dropshot, Carolina rigs and small crankbaits. What's more, the solid tips are mega durable, withstanding much more abuse than standard hollow tip rods. Features soft touch EVA grip with carbon 'sensitivity' spots for your hands to feel bites even sooner.

6' two piece 1-7g

Braid rating: 3lb-12lb / 0.04mm-0.12mm / PE 0.1-0.6
